The **4-Way Test** of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service;

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## PRESIDENT'S MESSAGE

**Alozie Nsirimobi**  
President 2022-2023

**F**ellow Rotarians, welcome to the 6th week of the 117th year of the Rotary International. The 5th Week was yet another great celebration for our club as we marked the birthdays and Wedding anniversaries of some of Undisputedly great members of our club and their spouses.

The Doyenne of our club, IWM Chief, Mrs Lara Raji Adeniji marked Platinum +5 years, the Award winning PP Akinwale Odutola joined the Golden Jubilee club.

Also, on the birthday list were, the club Treasurer, Austine Orohundusi, the chair of Membership Development, Niyi Adekunle, respectively, and the Spouse of our sturdily decorated PDG, IWM, Chief Mrs Bimbo Deinde Shoga, while Award winning PP Basirat and her spouse, Engr. Bolaji Giwa, together with Otunba PP Sola and Yeye Funke Adenuga Taiwo were on the wedding anniversary list.

On the climax, our Club and the District were agog to usher in a gentleman and respected Rotarian to the Platinum club in the 7th floor of life. Congratulations to you all.

This week takes us further into to the Membership Month and the RYLA programmes. The membership committee chair had rolled out his plans to meet his 31st August CnC event and the target of 20% net increase in membership. He has asked members to submit names of "quality" prospects to the newly created Membership platform.

Let's kindly oblige him. RYLA is August 21st-28th. Our RYLA team, led by the chair, Youth Service, Rtn. Erica Chikwendu and the RYLA Champ, Doyin Adedeji, are getting the RYLarians ready for medical and the District screening, respectively, this week. We have secured a joint sponsorship of Wed session with RC Lagos.

So on 24th August, our Club and RC Lagos will be hosting a joint fellowship at the RYLA venue, the Seachool, Apapa. This attracts some winning points, as well as kitting the candidates, members attendance, hiring of boats to convey members, provision of snacks and gift items, etc. The RYLA team may have approached you for sponsorship, please oblige them. We here acknowledge payment of N80,000 from Messrs Green Ice Events (PP Foweez contact), for T-shirt sponsorship for the RYLA candidates. Thanks to everyone that have donated and those that have pledged.

The GG sponsored Eye Hospital is on the front burners. \$95,000 to go down the drain if we do not meet up our side of the bargain before the extended date of August 15th. Some of the partnering local Clubs have reneged on their promises and RCG, as the host club, has to pick up the bills. Thanks to the IPP for getting the deadline date of payment extended to 15th August. All efforts are in place to meet the deadline. Our OVERALL BEST CLUB status in the District and beyond was not won on a platter of gold. I hereby encourage members to pay their PHF contributions to keep our flag flying.

Till we speak again next week.

Thank you.  
IMP.

## EDITOR'S CORNER

Fellow Rotarians, we are welcome to week 6 of the Imaginative Rotary Year. It is the 2nd week of Membership and Extension month in the Rotary International calendar. Rotary Club of Gbagada is one of the largest nationwide but we are still aggressive in our membership drive.

Last week was another loaded one in Gbagada and the fun was stimulating as notable members celebrated milestone birthdays and anniversaries.

RYLA is knocking loudly and Rotary Club of Gbagada is dotting all i's and crossing all T's to maximise the assets there in.

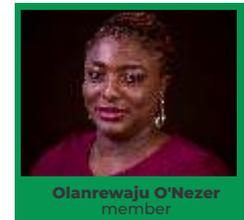

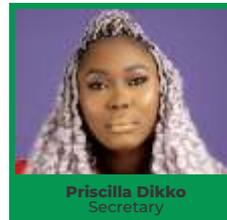

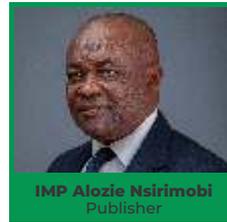

For those that are pursuing Rotary Club of Gbagada from behind, your sprint has turned to marathon because while you are about to reach a level, we have moved to the next three levels ahead; hence the training organised for Club officers recently is an attestation to this.

In this edition, the usual menu are served for our enjoyment, refreshment and learning purposes.

Lets enjoy it together.

Yours in Rotary  
Wale JUNAID

## PERSONALITY INTERVIEW

PP Basirat Giwa is unarguably one of the special members that make Rotary Club of Gbagada an enviable Club amongst others.

In this Chat with Gbagada Express, the weekly bulletin of Rotary Club of Gbagada, PP Basirat Giwa gave a great account of herself as expected.

Excerpts.

**Gbagada Express** : Can we meet you Ma?

I am Basirat Giwa, an Ophthalmologist, former Medical Director of Beemag Hospital, currently involved in community service through Rotary and local political activities.

### **Gbagada Express**

Recently you celebrated your 70th birthday, what is the significant of this to you Ma and what message do you want to pass to the upcoming ones ?

My 70th birthday celebrations was mainly to appreciate the faithfulness of God Almighty for the attainment of the milestone age: especially as I can recall many around me, friends, family members, and associates, who were not so lucky. The "Message" is simply, to be grateful, to continue doing good, touching lives to leave positive legacies, and most importantly, to accept the undisputable fact, that death can come any time, so be good and learn to enjoy life to the fullest.

**Gbagada Express**

Rotary has monthly theme that depicts the area of focus for each month, for August it is "Membership and Extension"; can you enlighten Rotarians the significant of this theme for August?

"Membership and Extension" the significance of this, is that our organisation is wholly dependent on Membership. As a service organisation, more benefits are derived from increased Membership: either from the quality of service delivery by the diverse members, to the spread of professional network accrued, and the fellowship interactions that will all translate into doing good in the world. All these can only be achieved when we continuously focus on Membership, not only to bring in more, but to ensure we keep them within the fold, that's retention.

### **Gbagada Express**

As a Past President of Rotary Club of Gbagada, what are the metamorphosis or evolution you observe between then and now?

I was President in the Rotary year 2018/2019 that's technically 4 years ago. "Metamorphosis/ Evolution" Hm Our Membership was 69 when I took over on July 1 2018: The 70th member, Rotarian Williams Kupolati, was

## PERSONALITY INTERVIEW

inducted on 4 July 2018 during the first fellowship meeting. With the effective and result oriented C in C programmes of the Club, headed by our then indefatigable Chair of Membership, now the Imaginative President, Rotarian Alozie Nsirimobi, we achieved a phenomenal increase in Membership to 104 to become the first truly Mega Club in District 9110.

That, I believe says it all. The majority of the members are still in the Club and very very active.

The Club also witnessed the relocation of our meeting venue to the present Golfview Hotels, in order to accommodate the increase. The venue change also came with innovations, such as payment for snacks to subsidize venue rentals. All in attempts to improve the ambience of the venue, make meetings more attractive and interesting. The contents of the traditional Spouses'/ Guests'

Nights have since witnessed innovations especially with the improvement in the Wecare groupings. These and many more, like the older members' readiness to be open minded and embrace ideas from the younger new generation members without necessarily compromising core objectives, will definitely sustain the bond of Membership, and attract more quality members.

***The Club emerged the overall best Club in the District that Rotary year.***

***It was also a befitting accolade as our Rotarian Kola Sodipo was the District Governor.***

### Gbagada Express

What is your general comment about Rotary Club of Gbagada?

Rotary Club of Gbagada remains "the Club to beat" in District 9110. Awards apart! It's the reality of the variety of quality professionals, or call it, classifications, in the Club: the variety of fun loving, should I say "boys and girls" and the perfect mix of service minded men and women. You do not find all these attributes in one Club in the District. That's the reason, most will not swap the Club for another: ask those that tried it, they returned unannounced. RC Gbagada is a brand! Gray areas? Yes! and why not? We are not a religious organisation, and our members are not expected to be Saints, that's why those that go to the "Mountain top" still return to mix with those at the "Bases" "Rascality" goes on pleasurably, "Professors of Rotary" will have their say, the "Cicero" will capture it all like cctv, and some oldies like us, simply sit back and savour the scenario, wishing we could turn back the hands of the clock.. That's what it takes to be in Gbagada. Let's invite more friends to the next Cin C outing for a taste of RC Gbagada, they're allowed to add their own idiosyncrasies! The more the merrier!! We are people of action. It's all in the service to humanity.

## CLUB TRAINER'S PAGE

New Generations Service Exchange is a short-term, customizable program for university students and professionals up to age 30.

Participants can design exchanges that combine their professional goals with a humanitarian project.

### What are the benefits?

- Make connections with service-minded community leaders in another country
- Learn another language
- Build your professional skills and gain international experience
- Travel and explore a new culture while giving back through service

### What is an exchange like?

With your host Rotary district, you'll plan activities that can include networking, relationship building, humanitarian service, professional development, and leadership training. Exchanges:

- Last from a few weeks to six months
- Can be arranged for individuals or groups
- Need not be reciprocal

### How much does it cost?

Costs vary by Rotary club or district. To reduce expenses, Rotary members often provide homestay options, arrange no-cost internship or job-shadowing programs, and offer other financial assistance.

[Find a Rotary club near you](#) that works with New Generations Service Exchange to find out what it would cost.

### How do I apply?

University students and professionals up to age 30 — including current and former Rotaractors and former Interactors, Rotary Youth Leadership Awards participants, and Youth Exchange students — are encouraged to apply. You don't have to be a member of Rotary to participate in an exchange.

Although each Rotary club determines its own eligibility criteria, all participants should demonstrate a strong commitment to service and the [ideals](#) of

Rotary. [Contact your local Rotary club](#) to see what exchange opportunities are available and what the application process involves.

QUALIFICATION CRITERIA: COMMITTEMENT TO IDEALS OF ROTARY WHICH ARE

1. Object of Rotary
2. The four-way Test
3. Avenues of service

# Rotary's Commitment to Diversity, Equity, and Inclusion

At Rotary, we're committed to treating everyone with dignity and respect, allowing everyone's voice to be heard, and providing equitable opportunities for fellowship, service, and leadership.

### Rotary Commitment Statement

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change. We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs. Recognizing that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive. We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong. In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, and to continuing to learn and do better.

You can take action to promote diversity, equity, and inclusion in your club:

- Invite local diversity, equity, and inclusion experts to speak to your club. Connect with organizations that support DEI efforts, and work with them on projects or events.
- Seek out new voices when you're making appointments and encourage people who have been underrepresented in these roles to take on leadership positions.
- Hold conversations about diversity, equity, and inclusion. Acknowledge that this can be uncomfortable and very personal. Establish the expectation that these conversations will allow everyone opportunities to learn and to be heard and will remain respectful.
- Create a club DEI committee that reflects the demographics of your community and works with residents to identify collaborative learning, sharing, and service opportunities.
